**Statement on Congressional Action
on Emergency Funding for
Hurricane Katrina Recovery Efforts**
September 8, 2005

I thank Congress for continuing to help those affected by Hurricane Katrina by moving swiftly and in strong bipartisan fashion to approve these additional emergency funds. The people affected by this storm have immediate needs that we must continue to meet without delay. More resources will be needed as we work to help people get back on their feet. We will continue to help people rebuild their lives and rebuild the region.

**Proclamation 7924—To Suspend
Subchapter IV of Chapter 31 of Title
40, United States Code, Within a
Limited Geographic Area in
Response to the National Emergency
Caused by Hurricane Katrina**
September 8, 2005

*By the President of the United States
of America*

A Proclamation

1. Section 3142(a) of title 40, United States Code, provides that “every contract in excess of \$2,000, to which the Federal Government or the District of Columbia is a party, for construction, alteration, or repair, including painting and decorating, of public buildings and public works of the Government or the District of Columbia that are located in a State or the District of Columbia and which requires or involves the employment of mechanics or laborers shall contain a provision

stating the minimum wages to be paid various classes or laborers and mechanics.”

2. Section 3142(b) of title 40, United States Code, provides that such “minimum wages shall be based on the wages the Secretary of Labor determines to be prevailing for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed . . .”

3. Under various other related acts, the payment of wages is made dependent upon determinations by the Secretary of Labor under section 3142 of title 40, United States Code.

4. Section 3147 of title 40, United States Code, provides that “[t]he President may suspend the provisions of this subchapter during a national emergency.”

5. Several areas of the Nation have been recently devastated by Hurricane Katrina. The devastation from the hurricane has resulted in the largest amount of property damage from a natural disaster in the history of the Nation. An enormous but undetermined number of lives have been lost, and hundreds of thousands of homes and business establishments either destroyed or severely damaged. Hundreds of thousands of individuals have lost their jobs and their livelihood. An unprecedented amount of Federal assistance will be needed to restore the communities that have been ravaged by the hurricane. Accordingly, I find that the conditions caused by Hurricane Katrina constitute a “national emergency” within the meaning of section 3147 of title 40, United States Code.

- (a) Hurricane Katrina has resulted in unprecedented property damage.
- (b) The wage rates imposed by section 3142 of title 40, United States Code, increase the cost to the Federal Government of providing Federal assistance to these areas.
- (c) Suspension of the subchapter IV of chapter 31 of title 40, United States Code, 40 U.S.C. 3141–3148, and the operation of related acts to the extent they depend upon the Secretary of Labor’s determinations under section 3142 of title 40, United States Code, will result in greater assistance to
